A photograph of a young man with dark hair and glasses, wearing a light blue button-down shirt over a white t-shirt. He is smiling and looking towards the camera while sitting at a desk with a laptop. The background is a bright, outdoor setting with green foliage.

SIGNIA DIGITAL

**SINGLE VISION LENS DESIGNED FOR
YOUR NEW LIFESTYLE**

SINGLE VISION LENS DESIGNED FOR
YOUR NEW LIFESTYLE

Electronic devices have changed our lives. Now, we spend more time focusing at near since we need to look **at different screens in an agile and precise way.**

DESIGN DETAILS

Most of the single vision lenses that are prescribed are initially calculated for distance vision. In other words, it does not consider the visual needs linked to the use of electronic devices.

Signia Digital offers wearers great comfort and impeccable visual quality and clarity.

This lenses are **fully personalized** and compensated for 3,149 individual directions of gaze so that wearers will enjoy **impeccable visual quality, greater comfort, and more precise focus.**
